INVITING YOU TO BE PARTNERS WITH MOM
EDUCATIONAL SPONSORSHIP PROGRAM

Education is an important tool that enables women and girls to participate in decisions that affect their lives and improve their social status.

MOM - Foundation. Inc provides an educational sponsorship program for orphans, semi-orphans and poor children both male and female in the regions of South India in the states of Telangana and Andhra Pradesh.

The main objective and focus of MOM is to provide educational opportunity to girls from socially and economically disadvantaged communities of India, who traditionally have no access to schooling.

Our aim is to break the cycle of illiteracy in which these girls are mired.

MOM is focused on improving access to quality education by bringing social awareness of the right to an education to the women and children in these marginalized communities. The MOM Educational Sponsorship Program is the most direct way that you can support this effort. Generally, there is one sponsor for each individual in this program.
